The layout consists of a main container with a grid-like structure defined by blue dashed lines and small blue asterisks at the intersections. The top section contains a large rectangular area labeled "Map". Below it is a form section with three rows: the first row has two input fields labeled "Name" and "Email"; the second row has one input field labeled "Subject"; the third row is a larger text area labeled "You Message Here". To the right of the form section is a vertical sidebar labeled "Contact Info".

Shop

The screenshot shows the ASUS ROG website's shopping interface. At the top, there's a navigation bar with links for Home, Shop, and Contact. Below the navigation is a large image of the ROG Strix Scope PBT keyboard. To the left of the keyboard is a sidebar with a category tree: MONITOR, HEADPHONE, MOUSE, and KEYBOARD. The main content area displays a grid of products under the heading "FEATURES ITEMS". Each item is shown with an image, its name, and price in RM. The items include:

- ROG Swift PG259QN (RM 788)
- ROG Delta (RM 1197)
- ROG Strix GO BT (RM 1071)
- ROG Strix GO CORE (RM 334)
- ROG Gladius II Wireless (RM 419)
- ROG Gladius III (RM 291)
- ROG Strix Scope (RM 269)
- ROG Strix Impact II (RM 269)
- ROG Strix Scope (RM 688)
- ROG Strix Scope Deluxe (RM 958)
- ROG Strix Scope PBT (RM 989)
- ROG Strix Scope THL Deluxe (RM 649)
- ROG Swift PG279QE (RM 1549)
- ROG Delta GUNDAM EDITION (RM 639)

At the bottom of the page, there's a "Total Charge: RM0" button and a "Checkout" button. The footer contains links for SERVICE (Contact Us), POLICIES (Terms of Use, Privacy Policy), and JQUERY CHECKING (Privacy Policy, Info, Shop). The footer also includes copyright information (Copyright © 2021 AD-Web G1. All rights reserved.) and a design credit (Designed by Prodige Eve).

Product detail

The screenshot shows a product detail page for the **Rog Strix XG43UQ**. The page includes a sidebar with categories like MONITOR, HEADPHONE, MOUSE, and KEYBOARD, and a price range selector. The main content area features a large image of the monitor, its technical specifications, and a "RECOMMENDED ITEMS" section with three related products.

Product Information:

Privacy policy

Privacy Policy for My Website

My Website one of our main priorities is the privacy of our visitors. That is why we have created this Privacy Policy so that you can understand what information we collect and how we use it.

This Privacy Policy document informs you of who collects and uses your personal information and it's purpose.

This Privacy Policy has been generated with the Privacy Policy Generator which is available from <https://www.privacypolicygenerator.info>.

Information we collect

The personal information that you are asked to provide, and the reasons why you are asked to provide it, will be made clear to you at the point we ask you to provide your personal information.

If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the content of the message and other information you may send us, and any other information you may choose to provide.

When you register for an Account, we may ask for your contact information, including items such as name, company name,address, email address, and telephone number.

How we use your information

We use the information we collect in various ways, including to:

- Provide, operate, and maintain our website
- Improve, personalize, and expand our website
- Understand and analyze how you use our website
- Develop new products, services, features, and functionality in our website
- Communicate with you, either directly or through one of our partners, including for customer service, to provide you with updates and other information relating to the website, and for marketing and promotional purposes
- Send you emails
- Find and prevent fraud
- Log Files

My Website follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this and a part of hosting services' analytics. The information collected by log files include internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable.

The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information. Cookies and Web Beacons

Like any other website, My Website uses 'cookies'. These cookies are used to store information including visitors' preferences, and the pages on the website that the visitor accessed or visited. The information is used to optimize the users' experience by customizing our web page content based on visitors' browser type and/or other information.

Privacy 1 Privacy 2 Privacy 3 Home

DoubleClick DART Cookie
Google is one of a third-party vendor on our site.
It also uses cookies, known as DART cookies, to serve ads to our site visitors based upon their visit to www.website.com and other sites on the internet.
However, visitors may choose to decline the use of DART cookies by visiting the Google ad and content network Privacy Policy at the following URL – <https://policies.google.com/technologies/ads>.
Some of advertisers on our site may use cookies and web beacons.
Our advertising partners are listed below.
Each of our advertising partners has their own Privacy Policy for their policies on user data.
For easier access, we hyperlink them to their Privacy Policies below. • Google: <https://policies.google.com/technologies/ads>

Advertising Partners Privacy Policies
You may consult the list to review Privacy Policy for each of the advertising partners of My Website.
Third-party ad servers and networks uses technologies like cookies, JavaScript, or Web Beacons that are used in their respective advertisements and links that appear on My Website, which are sent directly to users' browser.
They typically receive a consumer's IP address when this occurs.
These technologies are used to measure the effectiveness of their advertising campaigns and/or to personalize the advertising content that you see on websites that you visit.
Note that My Website has no access to or control over these cookies that are used by thirdparty advertisers.

Third-Party Privacy Policies
My Website's Privacy Policy does not apply to other advertisers or websites.
Therefore, we are not responsible for the privacy practices of other sites.
You may review their policies and instructions about how to opt-out of certain options.
You can choose to disable cookies through your individual browser options.
[To Learn more detailed information about cookie management with specific web browsers, it can be found at the browsers' respective websites.](#)

What Are Cookies?
[CCPA Privacy Policy \(Do Not Sell My Personal Information\)](#)
Under the CCPA and other laws, California consumers have the right to:
• Request that a business that collects a consumer's personal data disclose the categories and specific pieces of personal data that a business has collected about consumers.
• Request that a business delete any personal data about the consumer that a business has collected.
• Request that a business that sells a consumer's personal data, not sell the consumer's personal data.
If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

Privacy 1 Privacy 2 Privacy 3 Home

GDPR Privacy Policy (Data Protection Rights)
We would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:
• The right to access – You have the right to request copies of your personal data. We may charge you a small fee for this service.
• The right to rectification – You have the right to request that we correct any information you believe is inaccurate. You also have the right to request that we complete the information you believe is incomplete.
• The right to erasure – You have the right to request that we erase your personal data, under certain conditions.
• The right to restrict processing – You have the right to request that we restrict the processing of your personal data, under certain conditions.
• The right to data portability – You have the right to object to our processing of your personal data, under certain conditions.
• The right to object – You have the right to request that we transfer the data that we have collected to another organization, or directly to you, under certain conditions.
If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

Child's Information
Another part of our priority is adding protection for children while using the internet.
My Website does not knowingly collect any Personal Identifiable Information from children under the age of 13.
If you think that your child provided this kind of information on our website, we strongly encourage you to contact us immediately and we will do our best efforts to promptly remove such information from our records.

Questions
If you have any questions about this Privacy Policy, please contact us.

Jquery plugin

The jquery plugins that I decided to use in our group has Checkout.js, Slideshow.js, Sidebar.js, and Rowgrid.js. Since we decided to use another jquery plugins later is Checkout.js, Multiscroll.js, Flickerplate.js because other plugins not suitable so we change.

About the plugin Checkout.js, is our teammate Siew Tian Cheng in charge. The problem he encountered is that the understanding in coding is too shallow, and it is easy to encounter bottlenecks. He went to the teacher to ask about the problem, so that he could solve his problem.

The plugin of Multiscroll.js is charge by Yan Yong Kang. He encountered more difficulties, because he knew less about coding, so he would be stuck more or less. In the end, he relied on the help of friends to solve the problems.

And the last plugin, Flickerplate.js, is charge by Yu Kai Yang. He is the student with the least knowledge of coding in this team, so he does something simpler than other team members, of course, there are times when he doesn't. It is also to let other team members help him.

Conclusion

Technology has made significant progress over the years to provide consumers a better online shopping experience and will continue to do so for years to come. With the rapid growth of products and brands, people have speculated that online shopping will overtake in-store shopping.
